

hi friend!

Thank you for agreeing to switch clothes with me! I know agreeing to this takes vulnerability and I am very grateful for your trust <3 First and foremost, I want to emphasize that I really respect your relationship with how you dress, and understand that there are many factors that go into that. Please know that you are in control during this whole experience, and I want you to be comfortable. If I give you something that would be uncomfortable to wear in any way, you definitely don't have to wear it! If at any point during the day you're feeling like you can't be in my clothes anymore, take them off! Your well-being matters the most to me during this process, and I want the experience to be fun rather than unpleasant.

I'm excited for our switch and hope you are too! This zine will guide you through what to expect, and provide blank pages + prompts for reflection for you to fill out throughout the day. At the end of the day, we'll get together and have a casual interview/conversation about our experiences during the day, and I'll collect this zine from you then as well.

hope you have a great day!

love, Angelina

Here's a rough outline of what to expect over the next day or so!

Day before our switch:

☐ Pick out our clothes! For things like pants that need to fit well, we can agree to wear our own clothes that are in the style of what the other person would pick.

Morning of our switch:

☐ Put on the clothes!
☐ Note down approximately what time you started your day in the **Info** page to the right.

Throughout the day:

☐ Go about your day & live your best life
☐ Note down how you feel using the prompts in this booklet, or any other way you want!
☐ Take photos of any parts/details of the clothes that make them interesting or surprising to wear, and text them to me

Afternoon / evening of our switch:

☐ Whenever you're ready, feel free to take off my clothes. Whew! We did it!
☐ Note down when you changed back.
☐ We'll get together during the evening to recap our days and discuss the experience together, using the questions in this booklet as a guide.
